Dear Parent/Carer

Re: changes to data protection law

You may be aware that from 25 May 2018, the rules around data protection changed. The 'General Data Protection Regulation' (GDPR) changed as to how we can use your personal data and keep it safe, and strengthen your rights over your own data.

The point of this is to make sure sensitive or private information about yourselves and your children stays safe. Whilst it is similar to the current Data Protection Act in many ways, there are a few differences, so we need to make a few changes at the school in order to ensure we remain compliant.

One of these changes is that we have updated our privacy notice and produced a GDPR Policy. You will find copies of these documents in the foyer, on the website and we have enclosed a copies in this information pack.

As part of our work to comply with the GDPR, we are also seeking or re-seeking consent for using photographs or videos of your child on our website, internal displays and other school materials/other consent requests. This is part of the Confidential Pupil Data Form we send out annually. We have enclosed this form, and would appreciate it if you filled this out and returned it to the school office by Friday 14th September.

If you have any questions about how the GDPR affects you, or how our school is preparing, you can contact me using any of the contact details above.

Yours faithfully,

Paul Bargh
