Thursday 19<sup>th</sup> March 2020

Dear Parents and Carers,

Frithville and New York Primary Schools will close on Friday 20<sup>th</sup> March 2020 for the foreseeable future, except for children of key workers and children with certain needs. As we get more details following today's announcements I will write to all parents again tomorrow and make clear our next steps.

Later on today you will receive a text, inviting you to complete a questionnaire clarifying your eligibility as a key worker, for your children to attend school from Monday 23<sup>rd</sup> March. Other eligible children will receive a separate letter.

We are working and living in very interesting times... Unprecedented... With guidance changing daily, from many directions. Please be assured that we, as Frithville Primary School, New York Primary School and as a Trust are working tirelessly to ensure that our children and staff are safe, as per government guidelines, for our children with certain needs and those children whose parents work in key roles.

The Trust is following government guidelines from the following web pages.

Learning resource packs will be given to pupils to take home tomorrow, to those who will be working from home. These and other resources will be available to download from the school website as and when required. They can be found on the school website from Monday: School website – Parents – Learning Resources.

All correspondence should be directed to me via my email: [paul.bargh@frithville.lincs.sch.uk](mailto:paul.bargh@frithville.lincs.sch.uk). I will be using my Frithville account for both schools, as to better manage any requests and queries.

Please can I take this opportunity to thank all pupils, parents and staff for your forbearance and patience during this very difficult time. We are all most grateful... Thank you for your support.

Yours faithfully,

Paul Bargh
