

# Barnaby Bear goes to Paris

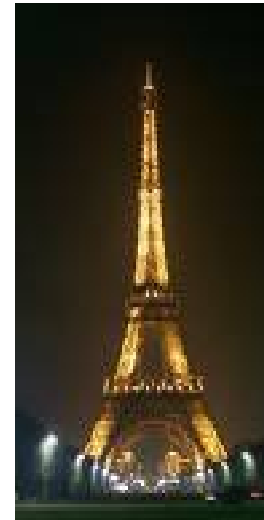

The river running through Paris is called the Seine. There are 36 bridges across the Seine. Some are made from metal. Some are made from wood and some are made from stone.

# The Eiffel Tower

The Eiffel Tower is very tall. It is 324 metres high. It is the most well-known monument in Europe. It was built in 1889. That was 117 years ago. It was built for an exhibition.

This is what the  
Eiffel Tower  
looks like at  
night!

# The Louvre

The Louvre is a huge art gallery. One of the most famous paintings in the world hangs in the Louvre – the Mona Lisa. It was painted by Leonardo da Vinci.

# Metro

We travelled around Paris using the Metro. It is an underground train system. We had to buy a map because there were so many different routes.

# Croque Monsieur

We ate snacks in Paris called 'croque Monsieur'. They are toasted ham and cheese sandwiches. They are delicious!

We also ate French bread and croissants.

# Eurostar

This is the Eurostar train.
